OFFICE OF THE ASSISTANT ENGINEER, HEADQUARTER RANGE, MYSORE.

Abstract Notification dated 6th April 1939.

The attention of the public is invited to the notification published in pages 697-699, Part VI of the *Mysore Gazette*, dated 13th April 1939, calling for tenders for the work of constructing the First Floor over the south wing of the Maharaja's College, Mysore.

The last date for the receipt of tender in this office is 2 P.M. on the 24th April 1939. The earnest money to be deposited is Rs. 430.

M. A. RAMANUJAM,
Assistant Engineer.

CHITALDRUG DIVISION.

Abstract Notification dated 5th April 1939.

The attention of the public is invited to the detailed notification dated 6th April 1939, calling for tenders for constructing an "Earthen Dam across Janakatte Halla and opening out a feeder to feed Hiremallanahole tank" in Jagalur Taluk published in Part VI, pages 700-702 of the *Mysore Gazette*, dated 13th April 1939. The latest date for receiving tenders is 2 P.M. on the 20th April 1939.

Notification dated 13th April 1939.

Sealed tenders will be received in the Office of the Executive Engineer, Chitaldrug Division, Chitaldrug, up to 2 P.M. on 29th April 1939 for collecting materials on Salem-Bellary Road and Bangalore-Dharwar Road near important towns—Harihar, Davangere, Chitaldrug and Hiriyur.

The tender should be superscribed as "Tender for tarring roads Section (No. ....)."

Seaparate quotations may be given for collections in sections noted below for each mile separately. Each quotation must be accompanied by a deposit of rupees one hundred (Rs. 100) in cash. The deposit will not carry any interest. The balance of earnest money as per rules will have to be paid immediately intimation is received accepting the tender.

The acceptance of tender will rest with the Executive Engineer, or any higher authority, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any. The exact distribution of length in each section at the accepted rates will rest with the Executive Engineer.

The names of successful competitors will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful contractor will be required to execute an agreement for the due fulfilment of the contract and for execution of all items of work.

Failure to comply with the above will entail forfeiture of earnest money.

Specific rates should be given for each item of work in rupees, annas and pies and expressed in words and figures.

When once the rates are accepted, they will not be enhanced under any circumstances.

All the collections should be completed by the 15th June 1939.

Departmental specifications will have to be adhered to in collection of all materials.

Rates tendered should include lead charges royalty and tolls.

List showing the items for which rates have to be quoted.
